## **UTILITY BILL NOTICE** **November 2024**

**Due to the previously reported fuel oil spill at town hall and its impact on our operations, we're extending the discount period for utility bills! To provide greater flexibility during this time, the discount period will now run until the 15th of the month instead of the 10th, giving you extra time to manage your bills while still receiving the early payment discount.**

**We appreciate your patience and understanding as we work to restore full services.**

**For updates on the situation, visit us on Facebook at "Town of Rising Sun MD-Official" or follow us here for more details.**

**Thank you!**
